Ellie was surrendered to a shelter due to no fault of her own. Upon arriving at the shelter, it was determined Ellie has been handed off a few times in her life. Today, that stops. We are committed to finding her a perfect family for such a sweet baby.

Ellie is 10 years old, weighs 38 pounds, is very healthy, loves other dogs and currently lives with

older children.

Ellie loves to take walks, cuddle with her foster family, and take long naps. Ellie is easily startled by loud noises and doesn't love the vacuum or the pesky lawn mower.

Ellie is experiencing some health issues and her amazing foster family is working closely with our partner vet to figure out what's going on and help her feel better. Please keep Ellie and her family in your thoughts. We'll update as soon as we learn more.
