[Donate To Emma 2's Care](#)

Emma is about 2.5 years old and 60 lbs. She had a really rough life before foster care and was abused by her yard mate. This gave her a lot of facial scaring and led to having an ear amputated due to trauma. But, she is still beautiful and the best girl ever.

She knows all the basic commands and is eager to please. She rides well in the car, never meets a stranger, good with kids and dogs. She is not a fan of cats.

She would prefer a family with lots of love, a dog or two, some limited activity and lots of couch cuddle time. She enjoys her crate and never complains.
