Lilah was recently surrendered to the IBR when her family could no longer care for her. She is a very friendly girl who loves to be around everyone and anyone. She feels she must be anywhere that you are at all times. She will follow you from one end of the house to the other just to make sure you are not leaving her out of any activities.

She loves to get down on the floor and play. So far, her favorite toy is a Frisbee, tennis balls, and a rope cow. She will play fetch with you, but she does not like to give it back. She'll always make you work for it. However, she will give you all the kisses you can handle!

She knows some basic commands like sit, lay down, and rollover, but only when she feels like it. She will try to be a lap dog, but can get excited and ends up crawling over everyone at times. You know, just to make sure she gets to see everyone.

She will sleep literally anywhere that you let her. She currently enjoys sleeping under her brother's loft beds. If she's not there, then she has likely taken over the couch or her foster mom's chair. Apparently they're more comfortable than laying on the floor.

Lilah's favorite activities include laying on the floor and sleeping, sunbathing, playing with toys, and playing fetch. Although she loves being outside, she does not like water!!

Lilah needed to find a new home that would simply love on her and take care of her, as she craves lots of attention! She's a great family dog. She loves to be around the people that she is with, and always she meeting new people. She needs to be in a home with no other pets, but she will make a great addition to any home! If you need a best friend that will never leave your side, then Lilah is your girl!!
